Freedom — Coming out from under the curses of Freemasonry.

Freemason Grade 16

Repentance & Decrees

I repent for receiving the titles and mantles of this degree. I resign my position of Prince of Jerusalem, and I willingly give up every demonic inheritance secured for me because of my trading and covenants.

- I take off the false warrior mantle placed on my shoulders. I ask for the Blood of Jesus to cleanse my government and burn all defilement that landed by me wearing this mantel. Father, let your fire consume this false warrior mantle.
- I willingly come out of the warrior fraternity in the mighty name of Jesus and I put the Blood and the Cross of Jesus Christ between me and the warrior fraternity of Freemasonry.
- I repent for my alliance with the Prince of Persia. I only fight for the cause of the Kingdom of God and I renounce all allegiance to any other kingdom in Jesus' name.
- I repent for being trained and being willing to defend the building of the 3rd temple of the G.A.O.T.U.
- I break the curse of defending the temple at all costs, including my own life and those of my family's.
- I repent for wielding the sword of 'the law of the Medes and Persians, which does not alter, I ask that You fill my hands with what You will in Jesus' name. I will never again pick up the sword of 'the law of the Medes and Persians'.
- I give up the shields, the apron, the jewels, the mantels, the sword of retribution, the Seal of Solomon, the cordon, and links to all other symbolism and numbers associated with this degree.
- I repent for standing for a false justice with false scales and balances in the name of Jesus.
- I repent for being a guardian of the secrecy of the law of the Medes & Persians which is about control, domination, intimidation and anti-Christ. I repent for being deceived by thinking I am above Godly authority and government.

- I repent for the curse of intimidation that comes with fear and violence of threats; for the curse of defamation, the curse of a lack of Godly revelation and vision; the curse of being made naked and having my heart pierced with a ritual dagger.
- I declare now, by the yoke-breaking power of the Blood of Jesus, that neither I nor my future generations will be a sacrifice offered to any false god on any altar. We will not undergo the ritual of having our hearts pierced with a ritual dagger in order to fulfill a vow or as punishment for breaking any covenants or oaths, in Jesus' Name.
- I smash the throne of the false king of Freemasonry, which has been sitting in a governmental position over my bloodline.
- I take my seat in my mountain, and I declare that I do not abdicate my position on my mountain to Freemasonry in Jesus' name.
- Father, remove the passwords from my tongue of "my lord" or "all is under lam" or "Tebel-Adar" and delete the memory of them from my DNA with Your Holy Fire. Break off and disconnect all triggers in me that respond to these passwords, in Jesus' name.
- I ask for the key of David to unlock every prison where I and my bloodlines are being held captive in our spirits, souls or bodies. Release us from the cages of Freemasonry in Jesus mighty name.
- I relinquish my position as judge and executioner of justice in these 2 degrees and I declare I will never again operate under that false mandate in Jesus' name.
- I fire every king sitting on a throne in any of my gates and I establish the Lordship of Jesus Christ over all of those gates.

1 John 5:18

“We know that God’s children do not make a practice of sinning, for God’s Son holds them securely, and the evil one cannot touch them.”
