Repentance Prayer Grade 17

Grant & Samantha Mahoney:
Freedom — Coming out from under the curses of Freemasonry.

Freemason Grade 17

Repentance & Decrees

I repent where I or my ancestors have held the titles, office and mantels of Knights of the East & West and the offices of Osiris and Isis and false warriors in Jesus' name. I willingly give these up.

- I repent for worship of the sun and moon and the gods of mutilation and death and for wearing the jewel with pride. I divorce these false gods and break off all ownership of me by these gods.
- I repent for taking part in this blasphemous initiation to enter the 17th degree of Freemasonry.
- I repent that I have been proud and arrogant regarding my status and importance in this degree. I have been deceived and I have sinned against the Living God, the God of Abraham, Isaac and Jacob. Forgive me Lord.
- I repent for the ritualistic washing of my bands pledging that they shall never be defiled by covetousness, unjust gain, tyranny, oppression or injustice according to Freemasonry standards.
- I repent for being part of the Egyptian false warriors.
- I repent for willingly offering my blood in a ritualistic blood sacrifice to the false god Baal. Take my name off the chequered trading floor in the Masonic Lodge, and cover my sacrifice with the Blood of Jesus Christ. I ask the Fire of God to follow the ley lines from that altar to any other altar in the stars, especially Pleiades and Orion and burn my family names off of those altars in Jesus' name.
- I disconnect all receivers, antennas and listening devices from myself and I say to those altars, you cannot speak to me anymore. The Blood of the Lamb combusts you to nothing and burns out every mark where you were ever in me, in Jesus' name! I declare that neither I nor any of my future generations will ever sacrifice on those altars again, in Jesus' name.
- I ask that every mark of the "T" be removed from my forehead and my mindsets, in Jesus' name.

- I break off shock and trauma associated with the cutting of flesh and I close the door to the demonic in my life as a result of that ritual.
- I pull out of my bloodline's DNA - from the living and future generations, the marked autosomes that trigger various generations to be a Masonic sacrifice, for the atonement of sin.
- I repent for the false atonement of sin and not recognizing the sacrifice of the Son of God.
- I agree with the atonement power of the Blood of Jesus and declare it is only through His sacrifice that I can be saved, healed, forgiven, and redeemed.
- I repent for using the secret password of 'Abaddon' and invoking Death and Hell. I willing give back every demonic inheritance I received by saying these words. I renounce all words, passwords, signs, tokens, and ask for the fire of God to burn them out of my DNA and disconnect all triggers in me that respond to those words.
- I repent for being deceived and exchanging the truth of the Word of God for a lie and being given over to a depraved mind.
- I declare that I have the mind of Christ and that I take every thought captive to His mind in Jesus' name.
- I repent for my pride and arrogance, thinking that it is Freemasonry that can open the seals mentioned in Revelation.
- I repent for mocking and dishonouring John the Baptist from the cloud of witnesses.
- I give back all garments, emblems, jewels, cordon, apron, rosette, token, or any other regalia associated with this degree. I break any link between myself and the Freemasonry symbolism of the number 7 as well as the colours of the rainbow.
- I give back the 7-sided medal and all that it represents.
- I repent for the oath I took to forfeit my life and accept into myself all torture and pains I agreed to in previous degrees.
- I repent for my false mind-sets that prevent me from getting a revelation of the healing, delivering Blood of Jesus Christ because of my own blood sacrifices.

- I ask to be released from every oath that I took during the initiation of this degree and likewise to be released from all curses of untimely death, suicide, torture and sacrifice.
- I break the curse of not only being dishonoured, but to consider my life as the immediate forfeiture and that to be taken from me with all the torture and pains to be inflicted in the manner as I have consented to in the preceding degrees. In the name of Jesus, I present the speaking Blood of the Lamb and I apply it to all legal paperwork and accusations the enemy has against me and my bloodlines. The Word of God says Jesus forgives my sin and my iniquity, so you have NO hold on me and no access to me in Jesus' name because of my repentance.
- I repent for being set aside and consecrated for the role of a false priest and I come out of that false priesthood of Freemasonry in the mighty name of Jesus.
- I give up my search for the false light of Freemasonry. I come onto the Sea of Glass before the Throne of God to make a trade. Everything that is false and a lie and a deception that I have bought into, I trade it for the truth of the Word of God; truth revealed by the Spirit of God, revelation and understanding and the knowledge of Hashem, in Jesus' name. I have the mind of Christ and everything that exalts itself against the Knowledge of Christ WILL bow its knee in my life, in Jesus' name.
- I release myself and my bloodline into the Life of Christ right now and I thank you Father that as for me and all my future generations, we will live in Your light and under the Blood of Jesus Christ.

Romans 6:22

“But now you are free from the power of sin and have become slaves of God. Now you do those things that lead to holiness and result in eternal life.”
