

The background of the book cover is a photograph of a stone archway. Through the arch, a path leads to a large cross on a hill under a sunset sky. In the foreground, a large, ornate metal letter 'G' is broken and surrounded by heavy chains and debris.

Freemason Grade 18

Repentance & Decrees

I repent where I or my ancestors have held the titles, office and mantels of Knight of the Rose Croix or Knight of the Pelican and Eagle.

- I give up the mantels, titles, emblems, passwords, secret words, rosette's, cordons, jewels, rose, signs associated with the Knight of the Rose Croix or Knight of the Pelican and Eagle in this degree. I repent for wearing them with pride. I repent for being self-righteous and arrogant.
- I repent for pride in receiving the titles of "Perfect Master, Sublime Elect and Scotch Knight of Perfect".
- I discard these titles and break out of any mould I have been operating in as a result of being under these titles in Jesus' name.
- I resign from the Office of Knight of the Rose Croix or Knight of the Pelican and Eagle. I give back every demonic inheritance I received from the covenants and sacrifices I made.
- I repent for idol worship of myself - thinking that it is my self-sacrifice that saves me from death.
- I repent for blaspheming Yeshua, the Son of God and for going back to the old covenant way which nullified Jesus' death on the Cross.
- I repent for receiving, and I give back the 2 jewels representing the perfect wisdom of Lucifer. I do not want any knowledge, understanding or wisdom that comes from Lucifer. I renounce him as my god, this day. I present myself as a son of God, who has been washed and cleansed by the Blood of Yeshua and by no other means.
- I repent for uttering the secret words of "INRI" and "Emmanuel" and "Abaddon" and "Jabulon". I repent for using these words to open spiritual doors for me. I repent for illegal access into the spirit realms - where I've used witchcraft incantations instead of the door of Jesus Christ.
- I repent for partaking in a ritual in which I swore to oaths on the New Testament.

- I repent for my action of burning the New Testament during the ritual of the 18th degree.
- I repent for covenants with the occult and black magic.
- I repent for working with my demonic spirit guide Raphael. I fire this guide from his position of guardian over me in Jesus' name.
- I repent twisting the Word of God and worshipping a false Jesus. I renounce Hiram Abiff. He is not my god. Jesus Christ is the son of the living God and it is Him alone that I serve.
- I repent for ritual blood sacrifice and being tied to demonic altars, I ask for the Fire of God to burn my name and my family's names off every demonic altar in Jesus' name.
- I give up all demonic inheritance relating to having supreme wisdom.
- I repent for believing the lie of being self-righteous and perfect.
- I repent for calling down the occult fire of Rose Croix to purify me.
- I break off shock and trauma associated with the cutting of flesh and I close the door to the demonic in my life as a result of that ritual.
- I repent for putting on the veil which keeps me under the old law and prevents me from seeing and receiving truth. I do a prophetic action of pulling it off my head, and I declare my eyes are open. have ears to hear what the Spirit is saying to the church. I pull out the protractor and square that stops me from receiving revelation of the Word.
- I repent for my blasphemy of Jesus Christ and his precious Blood.
- I repent for my communion of salt and white wine which is the bloodless gospel of Freemasonry - and for making covenants with Lucifer.
- I repent of the oath I took which has brought the curse of being emotionally and physically ravaged all my life; I break the curse of insomnia and sleeplessness; I come out of the chamber of death and I declare that I choose life! I come out of slavery to Lucifer. I and my future generations are not your bond slaves. I ask for the fire of GOD, to burn all branding, tattoos, markings, flags, triggers, beacons out of my spirit, soul and body which identify me as belonging to Lucifer, in mighty name of Jesus.

- I repent of and renounce all occult influence of the Rosicrucian's and Kabbalah from my bloodlines, in Jesus' name.
- I break all off all shock and trauma which connects me and my bloodlines to death, through the ritual of this degree.

Romans 8:17

“And since we are his children, we are his heirs. In fact, together with Christ we are heirs of God's glory. But if we are to share his glory, we must also share his suffering”.
