Repentance Prayer Grade 19

Grant & Samantha Mahoney:
Freedom — Coming out from under the curses of Freemasonry.

Freemason Grade 18

Repentance & Decrees

I repent where I or any of my ancestors have held the titles, mantels and Office of the Grand Pontif.

- I give up the titles and mantels associated with this degree. I resign from my position within the Office of the Grand Pontiff in Jesus' name.
- I repent for believing that good works will build a bridge for me into eternal life.
- I repent for false understanding and application of the names Alpha and Omega. Any place where I am deceived in my thinking, bring right alignment according to the Word of God.
- I repent for undergoing the ritual to be consecrated into the false Order of Melchizedek. I give back the breastplate with the jewels and the attributes of the deity in Jesus' name.
- I give up the name "Philetus" and I strike it from every record, both in the natural and spirit. Every trigger in me that responds to that name, I ask you to disconnect it, in Jesus' name. Every person that uses that name to control me or connect to me, strike that name from their lips. I put the Blood and the Cross of Jesus Christ between me and every person that connects to me.
- I come out from under the influence of the "thrice puissant" and cancel his ability to manipulate and control me.
- I repent for bowing my knee and praying to Lucifer, calling him by the name 'mighty and inscrutable'. I repent for enquiring of him for help.
- I repent for mocking the Lord's Prayer and using a counterfeit to pray to Lucifer.
- I repent for mixture: saying I'm a believer in Jesus Christ yet respectfully agreeing with others who worship of false gods. Make me a standard bearer of Jesus Christ, forcing every other name to bow in His presence.
- I give back the sword of undying faith, the mantel of charity and the staff of hope in immortality.
- I repent for searching for truth by enquiring of the evil spirits: Hermes, Manu, Philo and the false John the Baptist.

- I repent for mockery of the Cross of Jesus Christ.
- I utterly reject the vials of curses that evil spirits have spewed over me. I cancel and smash by the Blood of Jesus every platform in my bloodline that has been set up to receive the following curses: that justice will not be known, strife will never cease, intolerance and bigotry will weigh down the soul, superstition shall pervade, ignorance will creep in, ingratitude will be found in my heart, and delirium, cruelty and murder will be my portion. I utterly reject this, in Jesus mighty name.
- I repent for being deceived by the belief that Freemasonry is the true light.
- I reject encounters with the spirit of Masonry, and I refuse to believe the lies fed to me.
- I repent for praying and chanting to Lucifer under the title of 'all wise and supreme being'.
- I give back the white robes, sash, headband and all other regalia associated with the initiation of this degree.
- I repent for the false doctrine of the 144 000 and the false New Jerusalem.
- I repent for receiving tithes in the false Order of Melchizedek. I come onto the Sea of Glass and in the spirit I take every tithe that was received by me of my ancestors in this Order and trade it for the true prosperity of the Kingdom of God in Jesus' name.
- I reject the inheritance from this false Order of Melchizedek, and I ask that you would break the curse off my finances.
- I repent for feeding altars in the stars. I disconnect my name and my bloodlines' names from these altars in the Zodiac, and I call for the hammer angels to come and smash every altar to fine powder so they can never be rebuilt. I ask that every star or constellation that prophesies over me because of my sacrifice be silenced in Jesus' name. I declare Psalm 91 over me: "the sun will not harm me by day, nor the moon by night," so I charge the sun, moon, and stars to bless me and my bloodlines, in Jesus' name.
- I repent of the oaths and curses I agreed to in this degree. By the Power of the Blood of Jesus, I break every curse attached to my bloodline.

- I declare that my heart belongs to God, His Son Jesus Christ and the Holy Spirit only. Therefore, in Jesus' name, I call for angelic assistance to smash any construction of a false temple in my heart, built by my covenants and allegiance to the G.A.O.T.U. He is NOT my god and has no legal right to dwell in my heart from this day forward.
- I repent for receiving the 2 jewels representing the beginning and end of Lucifer - engraved with the Alpha and Omega symbols.
- I repent for sitting on the counterfeit throne and functioning in false headship.
- I step off the false throne and give back the scepter associated with this degree. I come out from under a false covering and I declare Jehovah Nissi is my covering.
- I repent for pride in my status of being a counterfeit priest in the Order of Melchizedek. I repent for undergoing the ritual to consecrate me with oil to this position. I repent for the curse I've brought on my finances by receiving the tithe of Melchizedek. I cut off the inheritance of this position. I trade it for my Godly inheritance.
- I repent of using the password of 'Emmanuel and for receiving the secret word 'Alleluia'.
- I repent for idol worship of myself - and my arrogance at being consecrated as 'a shepherd of our fold, chief in our college, pillar in our tabernacle, priest in our temple to ruse as a venerable priestly Mason'.
- I untangle myself from this position and I willingly give up my status and inheritance in Jesus' name.
- I repent for participating in a ritual which is a counterfeit representation of the throne of God and the angelic beings around the throne.
- I repent for coming under the influence of the Thrice Puissant' and for taking oaths of secrecy and obedience to any chapter of this degree, the laws, edicts and mandates of the royal secrets. I apply the Blood of Jesus to the paperwork against me and I ask for a full pardon and release from the curse I've brought on myself and my future generations.
- I repent for the mockery of the true apostolic.

- I repent for coming under the seal of the Tribunal. I call down the fire of God to burn every seal over me or my bloodlines. I call for the judgment of God against the Tribunal, and I break its influence over every area of my life, work, finances, family, education, and health. I am sealed by the Blood of Jesus only.
- I renounce the 12 gates, 12 apostles, 12 stars of the Zodiac, 12 tribes, and 12 fruits of Freemasonry.
- I apply the blood of Jesus to every altar on the earth where a ritual was done using my blood, DNA or where I've signed my name to paperwork and records. I ask that you would trace the ley lines from every altar on the earth to wherever they lead in the sun, moon, or stars (zodiac), in a body of water on the earth or under the earth, or between each Lodge on earth - and burn them up with the Fire of God.
- Remove my bloodlines' names from every altar in Jesus' name.
- I repent for my allegiance to Lucifer, the false christ, the dragon and the false prophet. I free myself by the blood of the Lamb from being a bond slave to any of these false gods.
- I declare that I am a bond slave to Jesus Christ of Nazareth only.

John 15:15

"I no longer el you slaves, because a master doesn't confide in his slaves. Now you are my friends, since I have told you everything the Father told me".
