Repentance Prayer Grade 1

Grant & Samantha Mahoney:
Freedom — Coming out from under the curses of Freemasonry.

Freemason Grade 1

Repentance & Decrees

I repent for taking on every title, office and mantel associated with the Entered Apprentice. I repent for all pride and arrogance that entered me in this degree.

- I resign from any position that I or my ancestors have held, including that of Worshipful Master, Venerable Master or any other title.
- I repent for calling any man master, because Jesus Christ is my only Lord and Master.
- I repent for my involvement in a Secret Society where I took oaths of silence. I have ruined families and marriages because of the secrecy pact. In line with my repentance, I break the code of silence I agreed to in this degree and I cut off the curse attached to breaking this oath, by the power of the Blood of Jesus.
- I repent for being a bond slave to Lucifer. I partook in a prophetic action of wrapping the cable tow around my neck and tying my future generations into the bondage and slavery of Freemasonry. I do a counter-prophetic action and I cut the cable tow off of my neck with the Sword of the Spirit and I apply the balm of Gilead and the healing Blood of the Lamb, to any inflammation, cuts, bruising or scarring, 'in Jesus' name.
- I repent for role playing and re-enactment of being in darkness and agreeing with the statement that the only light comes from Freemasonry. I repent that I've lusted after false light. I acknowledge that Jesus Christ is the only light. I break off all shock and trauma that allowed the spirit of fear to enter my bloodline following the initiation.
- I renounce the ancient pagan teachings of Babylon, Egypt and Greece as well as all symbolism and rituals that have come out of false mysticism and the ancient temples.
- I repent for agreeing with the symbolism attached to the clothing I wore and the accessories used in the initiation of the 1st degree:

- I repent for wearing the blindfold covering my eyes which has affected my eyesight and my emotions.
- Because of this, a door has been opened to fear of darkness and confusion. I break these curses off myself and my future generations in Jesus' Name. I declare that my sight will be used for the Kingdom of God.
- I repent for having the tip of the compass held at my chest and I break the curse of heart attacks, fear of death and being stabbed, in Jesus' Name. Father I ask that You redeem any sacrifice on any altar, where my blood was traded with because of the piercing of my chest in this degree.
- I repent for having the cable tow around my neck and for doing the penal sign across my throat. I repent of the curses I took upon myself. I apply the Blood of Jesus and I break the curses of throat disorders, cleft palate, cancers of the mouth, silence, injury to the mouth or nasal passage, struggling to communicate effectively, autism, infections of the bronchial tubes, mutilation and strangulation.
- I reject the serpent on the clasp of the apron, giving legal right for the python spirit to squeeze my spiritual life out of me. I break all curses of asthma, claustrophobia and lung diseases off of me, in Jesus' Name.
- I repent for using the secret word 'Boaz. I ask that you would pull out every trigger in my DNA connected to this word. I break, all curses of disease of the uterus in my bloodlines, in Jesus' Name.
- I repent for every place that I have used the tools and I give back the tools connected to this degree and break the symbolism over my bloodline. I hand back the 24" gauge and I refuse to spend all my days serving the friends of the Lodge'; I hand back the gavel and I refuse to have my conscience moulded and shaped according to Masonic beliefs; I hand back the chisel and I refuse to educate myself according to the counterfeit beliefs of Freemasonry; I hand back the Book of Constitutions of by-laws and I refuse to be instructed and governed in my duties by a false governmental system.
- I renounce the 3 lights which are: the Volume of the Sacred law - I cancel its authority to govern my faith in Jesus' name; the Square - I cancel its authority to regulate my actions, in Jesus' name; the Compass - I cancel its authority to

set my boundaries, in Jesus' name. I declare that there is one true light and that is Jesus Christ, I step into Him.

- I renounce and give back the 'badge of innocence' and I remove its mark of affiliation to the first degree from my bloodline, in Jesus' Name.
- I repent for every place that I've taken the place of Jesus Christ and I have become a false cornerstone. I declare that Jesus Christ is the Cornerstone of my faith, and I submit myself totally to His Lordship.
- I repent for being deceived by what seemed to be a noble cause and I traded my time and money into the wrong things which have cursed my finances and made me inefficient with my time.
- I repent for: kneeling before the Worshipful Master, for learning and applying the foot and hand positions of this degree; for memorizing the secret handshake and password; for sealing my oaths with my blood; for coming willingly into this occult practice; for agreeing to do whatever is required of me and meeting the demands imposed on me; for agreeing to abide by the customs of the Order, in Jesus' Name.
- I repent where I have surrendered to the anti-Christ spirit. I divorce and renounce the anti-Christ spirit on behalf of myself and my bloodlines.
- I repent for making covenants with death and I come out from under those covenants right now in Jesus' name.
- I repent for all prayers prayed to the G.A.O.T.U (Great Architect of the Universe) and for any allegiance to Lucifer. I cancel the words of every prayer and render them null and void in Jesus' name.
- I repent for giving up my Godly inheritance and trading it for a demonic inheritance. Father, I ask that you would restore the inheritance that You have for me.
- I repent for agreeing to the financial destruction of my own as well as the future generations' finances. I break the curses off our businesses of being cut throat. I break the curse of poverty attached to my finances as well as the curse of continuing to labor in vain, with no fruit to show for it, in Jesus' Name.
- I repent that my oaths and covenants have cut me off from God because my heart has been hardened towards spiritual things.

- I repent of and renounce the curse of continual arguments, pain and grief that are as a result of my covenants in the occult.
- In Jesus' Name, I ask that you pull out any association in the memory of my DNA, to the hand signals, handshakes, foot positions, hand positions and I ask that any time I do these sub-consciously or ignorantly, that you disconnect their power over other people who see it. I want this pathway burned out of myself and my bloodlines into the future, in Jesus' Name.
- I break curses of personality assassination, having my integrity continually questioned, any type of branding on me, the feeling of losing my head, in Jesus' name.
- Any place that I am fragmented in my spirit, soul or body as a result of the initiation of this degree, I call for every part to be brought back into perfect order, as it was before the foundations of the world, in Jesus', name.
- Father, please remove my family's names from any record of remembrance both in the natural and in the spirit realms, in Jesus' Name.
