

The background of the book cover is a photograph of a stone archway. Through the archway, a path leads to a hill with a large cross on top, silhouetted against a bright, hazy sunset sky. In the foreground, inside the archway, there is a large, dark, ornate metal letter 'G' that has been broken into several pieces. Heavy metal chains are draped over the broken pieces of the 'G' and the ground around it.

## Freemason Grade 23

### Repentance & Decrees

I repent where I or any of my ancestors have held the titles, mantels, and Office of Chief of the Tabernacle.

- I willingly give up the titles and mantels of the 23rd degree of Freemasonry. I resign from the Office of Chief of the Tabernacle.
- I come out of the false priesthood order of a false Aaron and his sons Eleazar and Ithamar.
- I repent for acknowledging the G.A.O.T.U as lord and for bowing down to him.
- I resign from every position that I have been promoted to in the spirit through the vows taken in this degree and I repent for my pride in the position.
- I repent for setting up, worshipping and performing my duties in a counterfeit tabernacle. I repent for the symbolism and lessons that have been stored in the memory of my DNA relating to the false shewbread, menorah, altar of incense, altar of sacrifice, laver, are of the covenant, clothing and all the other counterfeit symbols used in this initiation.
- I repent for pursuing the knowledge and wisdom of a false god. I ask You, Jesus, to cleanse my mind of all of this false knowledge and smash my mindsets so that I can come into agreement with the truth of Your word.
- I give back the mantel, apron, jewel, regalia and inheritances related to this degree, as well as all the signs, tokens, sacred words and passwords.
- I repent for applying the symbolism of the colours used in this degree. I renounce and cut off from myself: the infinite beneficence of a false god represented by the colour white; the profound and perfect wisdom of a false god represented by the colour blue; the glory of a false god represented by the colour red and the power of a false god represented by the colour purple.
- I repent for applying the symbolism of the counterfeit candlestick of astrology and witchcraft to my life and future generations, which has connected us to the 7 planets, the 7 false archangels as well as the 7 manifestations of the

deity. I renounce and disconnect myself from the sacred number / as it is represented in this degree as well as all altars and soul ties to:

- The sun, moon and the 5 planets of black magic being Mercury, Venus, Mars, Jupiter and Saturn; I break all covenants with the sun, moon and these planets. Burn up the ley lines and communications between each altar, by which I am connected to these elements. Smash the altars in these places with my generational names on it.
- The seven false archangels charged with governing the planets: Zerahiel, Auriel, Gabriel, Michael, Khamaliel, Raphael and Tsaphiel.
- The manifestations of a deity, specifically, the seven Sephiroth which follow Will, Wisdom and Understanding: Justice (represented by Jupiter), Temperance (represented by Saturn), Prudence (represented by Mercury), Fortitude (represented by Mars), Charity (represented by Venus), Hope (represented by the moon) and Faith (represented by the sun).
- I disconnect myself and my bloodlines from the 7 colours and musical octaves or frequencies assigned to us during the initiation of this degree. I dissolve the Freemasonry symbolism attached to the colours that have been woven into my generational mantle that taints my bloodlines with the counterfeit; I ask You to burn the record of those off my mantle. I disconnect association with frequency so that it cannot trigger anything in my memory, my DNA, or my mind, in Jesus name. Test everything that I currently respond to in the spirit with fire. Disconnect me from the switchboard of all things Freemasonry so that I am not triggered by sounds, colours or anything going on in the celestial realms. I give You permission to destroy anything that disagrees with the truth of the Word of God or the Blood and the Cross, or the book that You wrote for me before the foundation of the earth.
- I repent for the false cup of incense, being known for my good deeds and charity. I have trodden on.
- Your grace and Your Blood. My good works are as filthy rags in Your sight.

- I repent for the symbolic initiations relating to the ancient mysteries of Egypt and all of those false gods. I give up the knowledge and patterns of the lesser mysteries. I resign my position as a guardian of a false temple in Jesus name.
- I repent for the oaths, vows and covenants I've taken in this degree and I break the curses I've brought upon myself and my bloodline as a result of these oaths.
- I repent for operating out of the false office of intercession.
- I repent of my pride and arrogance, thinking that I am able to disseminate all my acquired false knowledge to all mankind. I repent that by doing so has entrapped and cursed so many bloodlines.
- I reject the prophecy of Korah, where he stood at the door of our bloodlines and declared 'a new thing.
- I repent for opening that door in the first place. I come out of alignment with it. I ask. You to destroy this pattern of the 'new thing" over me and I willingly come out of that time and season and into the perfect times and seasons of God, according to the book. You wrote for me in Jesus name.
- In Jesus name, I cut off the spirit of death over our intercession.
- Dethrone every king sitting on any throne in our bloodlines, which were invited into position by me opening the door.

**2 Kings 22:13**

"Go to the Temple and speak to the LORD for me and for the people and for all Judah. Inquire about the words written in this scroll that has been found. For the LORD's great anger is burning against us because our ancestors have not obeyed the words in this scroll. We have not been doing everything it says we must do."
