## Freemason Grade 27

### Repentance & Decrees

I repent where I or any of my ancestors have held the titles, office and mantels of Knight Commander of the Temple or Most Potent Grand Commander.

- I give back the titles and mantels of the 27th degree of Freemasonry. I willingly resign from the Office of Knight Commander of the Temple or Most Potent Grand Commander.
- I willingly give up and come out of any counterfeit 'Christian Order of The Order of St John or the Knights of Malta.
- I repent for my trading in any currency, for taking oaths and covenants which bound me and sold my future generations into bondage.
- I repent for pride in my 'good works' of mercy and for operating in the Masonic virtues of: humility, temperance, chastity, generosity and honour.
- I repent where I gave up my free will and tied myself as a bond slave to the Knights of Lucifer. I declare that I am a bond slave to the Most High God only.
- I repent for wearing the regalia of this degree with pride. I give back and renounce: the apron and whatever the colours, Teutonic cross or black key represent in my life. I utterly reject functioning under a mantle of sorrow and mourning and I put on the garment of praise for the spirit of heaviness.
- I give back the crown which brought me under a false governmental pattern. I break all mind-control, brain-washing or religious mindsets off me and my bloodlines in Jesus' name. I repent for seeking man's approval and rewards for my good works.
- I also give back the red and white gloves, the white and red cordon, the hat and spurs as well as the scarlet sash torn across my body from right to left and come out from under their power.
- I give back the jewel of the Teutonic cross which hangs over my heart to remind me to defend the order and the service of the poor. I cut myself and my bloodlines off from the inscribed word of 'INRI'.

- I relinquish the Sword of the Knight. I repent where I have used this to shed innocent blood and for a false cause.
- I repent where I have used the Sword of the Knight to take my own blood in any oath or ritual in Freemasonry.
- I repent for consenting to the penalty of this degree and in Jesus' name I break the curse of having Almighty God's anger inflicted on me.
- I willingly give up all demonic inheritance I received as a result of using the passwords, signs, and tokens of this degree.
