Freedom — Coming out from under the curses of Freemasonry.

Freemason Grade 2

Repentance & Decrees

I repent for taking on every title, office and mantel associated with the Fellow Craft degree of Freemasonry.

- I repent for all pride and arrogance found in me because I was promoted to this degree.
- I repent for: keeling before the altar with my band on the Bible and on the square and compass and for taking my oaths which tied me to the curses of this degree. Father, remove my family names from that altar by Your Holy fire in Jesus' Name.
- In the name of Jesus, I break off of my bloodlines all shock and trauma associated with the initiation of the Fellow Craft degree, that gave fear a legal right to torment us.
- I resign from any position that I or my ancestors have held in this degree and I forgive my forefather for selling out our bloodlines because of the covenants taken in this oath:
- I repent of agreeing with the symbolism attached to the clothing I wore and the accessories used in initiation of the 2nd degree:
 - I repent for wearing the blindfold that covered my eyes in Jesus' name.
 - I repent for holding the square to my chest, and I break the curse of chest, lung, and heart disease in Jesus' name.
 - I repent of having the cable tow around my arm and for doing the penal sign across my breast heart. I repent of the curses I took upon myself to be double tied to Freemasonry and the Lodge; cut this tie with the Sword of the Spirit, and I release myself and my future generations from the death trap, in Jesus' name. By the power of the Blood of Jesus, I break the curse of the curse of the heart conditions, breast cancers and all other infections and diseases of the heart and respiratory system.
 - I renounce the Plumb line, and I come out of the pattern of walking 'uprightly' according to Freemasonry beliefs and morals, in Jesus' name. I declare that I will walk uprightly because j Christ is my righteousness.

- I renounce the Square and I reject the Freemasonry virtues that I have been bound by, in Jesus name. I declare that the work of my hands will be blessed because whatever my hands find to will do with all my might, according to the scriptures.
- I renounce the Level that was given to prepare me for the travels on a plain that I'd never been before. That is not my inheritance as a child of the living God and I utterly reject the path was Freemasonry for me and my bloodlines, in Jesus' name. I declare right now that I will only go where Jesus and His Holy Spirit lead me.
- I repent for using the secret words Shibboleth and Jachin. I disconnect myself from those words. I ask you to remove all records with my family names in the natural and in the spirit. I ask you to pull out every trigger in my DNA connected to these words, in Jesus' name.
- I repent for accepting the jewels of a fake faith, hope and charity and I give them back now. I give back the letter "G" of the deity's name and its connection to geometry, the planets astrology, in Jesus mighty name.
- I repent for dabbling in magic, geometry and the spirits of Plato and Pythagoras.
- I repent for accepting and using the passwords that identify me as a Fellow Craft Mason - and receiving into myself the password "G" and everything that is associated with that deity's initial. Utterly reject that deity's lordship over my life. Remove any branding or markings within me that identify me as belonging to this deity, in Jesus' Name. Remove any signs or signals that I do out of ignorance subconsciously because it's been programmed into my DNA. I don't want to be a red flag to any demon.
- I repent for my foolishness in agreeing to the curses brought upon myself for going back on the oath I took in this degree.
- I repent for placing my feet and body in positions that make the symbols of the square in this degree.
- Jesus let your blood dissolve every contract I've signed in my blood or otherwise.
- I break the curse, by the powerful Blood of Jesus of: cardiac failure, being stabbed or shot, fear of heart attack, breast cancer, heart and lung diseases, weakness in

my organs and death. I break the curse of pain in my shoulders or neck. I declare there will be no premature death in my bloodlines. There will be no emotional hardness of heart towards the living God, no indifference, no anger and no unbelief in Jesus' name.

- I break the pattern of the false temple that is recorded in the memory of my DNA. I cut off any connection to the numbers of 3, 5 and 7 to do with the steps in the false temple. I reject false wisdom strength and beauty represented by the number 3. I reject the altering of my 5 senses or any structure that has been established in the spirit through the 5 orders of architecture. I utterly reject the prophecy of being in famine for 7 years, or the false candlesticks in Jesus' name.
- I repent for participating in rituals and calling false gods my master. I declare that Jesus Christ is my Lord and Master and that I am a son of the Most High.
- I give up the password Jachin.
- I declare that the Lord is the strength of my heart and my portion FOREVER.
