Freemason Grade 30

Repentance & Decrees

I fire all the spiritual guards of: Lieutenant of the Guard, mausoleum guard and any other guard by whatever name they're known from their positions over my bloodlines, in Jesus' name. I speak utter confusion and disunity among the ranks of these guards and I assign failure to their duties concerning me, in Jesus' name. You may not oppose my repentance or prevent me from receiving freedom from this degree, in Jesus' name. I bind you in chains and fetters of iron according to Ps 149 and I gag you so that you cannot utter the password to summon help.

- I repent where I or any of my ancestors have held the titles, office and mantels of Sublime Prince of the Royal Secret and Knight Kadosh in the Order of the Black and White Eagle.
- I willingly give these up and I reject any inheritance that has been secured for me or by me because of taking the oaths of this degree in Jesus' name.
- I repent for the initiation I underwent in order to be invested into this Order.
- I repent for the pride and arrogance and false humility I displayed in this degree.
- I forgive all of those in my bloodlines who participated in this Order and sold my bloodlines to death.
- I repent for my covenants with death, hell and the grave. In Jesus' name, I break off shock and trauma at the very first place it happened in my bloodlines, going all the way back to Adam.
- I repent for all fascination and intrigue with death, skeletons, coffins or any other relics to do with death or the occult.
- I repent for drinking 'communion' sealing my covenant with death hell and the grave.
- I repent for every covenant, vow or oath I took and for willingly binding myself to the infliction of penalties or punishment if I transgressed. I ask that the Blood of Jesus would dissolve every record of verbal agreement, signature by

my hand, seal with a kiss from my lips, blood or DNA willing given by me or my ancestors from our body or any other form of record against us in Jesus' name.

- Every Lodge my bloodlines have ever stepped into, all the way back to the first time this ever happened - where my family names were recorded and tied to ley lines connected to every Lodge in the country I attended or globally, I ask for the fire of God to locate those connections and sever me forever from them. I declare to the demonic, you can no longer find or locate me in the spirit via your ungodly highways, ley lines or soul ties. I attach the thunders and lightning of God to my family names and my DNA. Should any illegal demonic force try to attach to me using either of those methods, let the lightning of God strike them down in Jesus' name.
- I cancel every penalty of having my skull sawn; consigning myself to disgrace and contempt by the power of the Blood of Jesus.
- I repent for choosing death. This day, I set my mind and will to agree with what the Blood and the Cross have paid for. Because of the sacrifice of Jesus Christ, I choose life for me and my bloodlines. Let a copy of this record be delivered into the bowels of hell itself. Send your angels to collect every record of previous covenants made by my ancestors from hell and destroy them.
- I repent for trying to prove my worth to man. I repent that man's approval and acceptance has been more important to me than pleasing my God. I cast off every ungodly yoke put on me by any order of Freemasonry where I have been controlled and manipulated by fear tactics or otherwise.
