

The background of the book cover is a photograph of a stone archway. Through the arch, a path leads to a hill with a large cross on top, silhouetted against a bright, hazy sunset sky. In the foreground, inside the arch, there is a large, dark, ornate metal letter 'G' that has been broken into several pieces. Heavy metal chains are draped over the broken pieces of the 'G' and the ground around it.

Freemason Grade 31

Repentance & Decrees

I repent where I or any of my ancestors have held the titles, mantles and office of Grand Inspector Inquisitor General.

- I resign from my Office of Grand Inspector Inquisitor General and the Great Knight of Kadosh and the Knight of the Black and White Eagle in Jesus' name.
- I willingly give up my titles of Grand Inquisitor General over the entire globe, a member of the Supreme Tribunal as well as the benefits I'm entitled to and the demonic inheritance associated with this degree.
- I renounce the false offices of: Judge of Alfred, King of Saxon England (or Frederick II), Socrates, philosopher of Greece, Confucius, Zoroaster, the false Moses and false Jesus. I reject the knowledge and instruction imparted to me by them in this initiation of Freemasonry.
- I repent for my pride, arrogance, self righteousness and self importance displayed in this degree.
- I repent for the worship of the Egyptian gods and goddesses which are honoured in this degree. I renounce Anubis, Osiris and Isis. I renounce the Soul of Queres (the false symbol of immortality, the death chamber and the false teaching of reincarnation. I renounce Lucifer and his false doctrine.
- I give up the name of 'William of Shrewsbury' and I break any link connecting that name with my own. I ask for the Fire of God to separate me from this name right now.
- I willingly give up every seat of judgment that I sit in. I repent for patterns of judging according to my own wisdom or where I've acted as judge and executioner on behalf of the kingdom of darkness. Every time I have been a mouthpiece to issue judgment on people and situations that have delayed God's purposes on the earth, I repent.
- I declare that I am being trained to judge in righteousness and with integrity according to the Word of God. I will sit in my seat as judge when I am ready and commissioned to do so by the Lord God Almighty.

- I repent for every time I have been a false witness to uphold my oath of protecting a fellow brother.
- I repent of my oaths and the curses and penalties I agreed to in this degree. Ever place I am judged unfairly or where it seems that I get falsely accused, that is because of the curse visiting me. I come out alignment with those patterns in Jesus' name. Let truth speak for me always and let the Lord my God vindicate me where I have been judged unjustly.
- I give up the false wisdom supplied to me by Lucifer and the Order. I come into alignment with James 1:5 which says: "if any man lacks wisdom, let him ask of God who gives generously without finding fault..."I ask for and rely on your wisdom Lord which I will apply to every area of my life.
- I willingly give up the jewels, symbols and tools of this degree, being: Teutonic Cross, square, compass, plumb, level, scales and a sword and I come out of alignment with them in Jesus mighty name.
- I give up the words and passwords of: Stibium Alcabar, Pharash-Kob.
- I give up the garments and regalia associated with this degree in Jesus' name.
