Freedom — Coming out from under the curses of Freemasonry.

Freemason Grade 3

Repentance & Decrees

I repent for taking on every title, office, and mantle associated with the Master Mason degree of Freemasonry. I resign my position and come out of the patterns I functioned under as a Master Mason.

- I release forgiveness to anyone in my bloodlines that has brought any curses on us as a result of the oaths they took in this degree.
- I repent for all pride and arrogance found in me because I was promoted to this degree.
- I repent for thinking myself better than others and for judging those who were elderly, immature or women, as worthless and unworthy.
- I repent of agreeing with the symbolism attached to the clothing I wore and the accessories used in the initiation of the 3rd degree:
 - I renounce and give back the blindfold covering my eyes in Jesus' Name.
 - I renounce the compass 2 point held at my chest and I repent for any blood spilt during this ritual that sealed my oaths and put my family names on altars. Break every curse attaching itself to heart and lungs in Jesus' Name.
 - I renounce the cable tow wrapped around my body three times and the penal sign across my stomach. I repent of the curses I took upon myself to be triple-tied to Freemasonry and the Lodge. I cut this. with the Sword of the Spirit and I release myself and my future generations from this death trap, Jesus' Name.
 - I give back all implements given to me from previous degrees. In addition to those, I also give back the trowel and I break the function of that instrument off of my life, in Jesus' Name. I do not want to cement or be cemented into a false love and duty to any other Mason.
 - I hand back the jewels and cut off all obligations placed on me towards humanity, friendship, brotherly love - according to Freemason patterns. I call for the fire of God to burn up those false expectations and patterns. In Jesus' Name, I bring my bloodlines out of this demonic pattern.

- I renounce and give up the sign of the Master Mason, the distress words "O Lord my God - is there no help for the widow's son". I repent for any time I have used these signs, distress words, due guards or grips in order to gain unjust favour or to cause someone to bear false witness on my behalf so h he could fulfil his obligations. I repent where I haven't taken responsibility for my actions and brought someone into disrepute, and judgment sits on them. Likewise, I repent where I have & unlawful or a false witness on behalf of someone, to fulfil my vow. Where people have got away with heinous crimes because I have been a false witness, I repent.
- I renounce and give back the badges and regalia associated with this degree.
- I repent for using the secret words Tubal-Cain. I disconnect myself from those words and ask you remove all records with my family names in the natural and in the spirit. I ask that you would out every trigger in my DNA connected to those words.
- I repent for uttering the word "Ma-ha-bone" in the ceremony where Hiram Abiff was raised to life the initiation - and in Jesus' Name, I break all curses of cancers or diseases of the bone and bone marrow, skeletal structure or blood diseases that came with uttering this word.
- I repent for agreeing to the curse that my body will be severed into 2 and divided to the North and South, my bowels burned to ashes, and sent to the 4 corners of heaven, so there is no track or trace or remembrance of me among men or Mason.
- I repent for my foolish oaths to protect my "brother" at the cost of my life. Burn the memory of these out of my DNA and cut off my future generations from the curses and obligations associated with this degree, in Jesus' Name.
- I repent for swearing on the Bible and the book of the Sacred Law.
- I repent for accepting Hiram Abiff as false saviour, and believing in a false resurrection.
- I repent for pagan rituals performed at the points inside the circle with its bondages and phallic worship give back the <<G>> deity symbol.
- I repent for marking myself with occult symbols and opening the third eye and using it to operate illegally in the spirit realm.

- I repent for making covenants with death by enacting the death and burial of Hiram and bringing back to life using the 5 points of fellowship grip in the initiation of this degree. I declare that I am buried and resurrected in Yeshua, not in Hiram Abiff. I repent for getting into a coffin and having a false resurrection. I break off shock and trauma that allowed fear to operate on a platform in my bloodlines
- I repent for honoring a counterfeit John the Revelator in this degree.
- Change my blood and DNA back to its original pattern, back into the image of the living God. I command my soul to leave all regions of captivity of death allowed through this ceremony.
- By the power of the Blood of Jesus, I break the curses of: freak accidents, violent deaths, permanent maiming or scarring, occult injuries, death, strokes, haemorrhaging migraines, headaches, vision impairment, blindness, brain damage, blood oaths, ritual murders, adrenalin addictions, suicide, anorexia, death of marriages, children and families, finances and relationships, curses on the stomach and abdominal area, the belly, bladder and liver and curses of being burned to death.
- I break all ungodly covenants of brotherhood between me and anyone else. I put the Blood and the Cross of Jesus Christ between me and anyone who connects to me in Jesus' Name.
- I fire every guardian of Freemasonry that has spiritually adopted the women and children because the men belong to the Order. We disconnect ourselves from those false protectors and providers.
- I call fire on all the trading my bloodline has done on false trading floors.
- I renounce the Egyptian funeral gods Anubis and Osiris; funeral cults; witchcraft and mummification.
- Spirit of death, I summons you into the Court of Heaven to receive a judgment against you. In line with my repentance, your jurisdiction in my life is annulled! Leave, in Jesus'
