Freedom — Coming out from under the curses of Freemasonry.

Freemason Grade 4

Repentance & Decrees

I repent for taking on every title, office and mantel associated with the Secret Master or Mark Master degree of Freemasonry. I resign my position and come out of the patterns I functioned under in this degree. I release forgiveness to anyone in my past generations who brought curses on my bloodlines as a result of the oaths they took in this degree.

- I repent for all pride and arrogance found in me because I was promoted to this degree. I willingly give up every demonic inheritance associated with this degree.
- I repent for taking a mark that identifies me and my work in the natural and spirit realms as a Mason. Whatever standards have been placed on me through Freemasonry, where my work is measured according to false grades, bring me out of that pattern and break the mould I have been placed in. I break it authority of any spirit or strongman who judges my work and finds me lacking and withholds my di wages. The work of my hands is for the glory of God only. He pays His workman their worth. I fire the 7 watchmen who report back to their chiefs on my progress. I fire you from your position and I gag your mouths. You do not have a right to speak over me or my future generations, in Jesus' name.
- I repent for looking for man's approval instead of fearing the living God. I ask for the "Spirit of it. "Fear of the Lord" to rest on me and to be one of my tutors in Jesus' name.
- In Jesus' Name, I break shock and trauma that came into the bloodline by participating in the initiation of this degree.
- Any place where I have been marked in my DNA, where I am a red flag or a beacon to the enemy, ask you to remove that branding by Your Holy Fire and I pull out the trigger points in me.
- I repent for using the 'Heave Over sign, which represents rejection; the '1st sign symbolizing having my ears smitten off; the '2nd sign' symbolizing having my wrist cut off because I am an imposter; the 'wag sign' in which I bide my mark in clenched fingers. Remove the memory of them from my DNA and disconnect all triggers in me to seeing these signs or bearing those words.

- I repent for accepting someone's mark at a huge cost to myself and my integrity.
- I repent for uttering the passwords 'Adonai' or 'Joppa and for selling my soul for benefits that have entrapped me. I have traded on false and illegal trading floors. I command my soul to come out of every region of captivity it has been sent to through taking the oaths of this degree. Father, I ask for the key of David and I unlock every cage where parts of my soul have been trapped by this foul secret society and ask that You make me whole in my body, soul and spirit in Jesus mighty name.
- I ask that you would smash the mallet and engraving chisel so they can never again mark me and carve or indent my mind, in Jesus' name. I utterly reject the discipline and education offered to me! Freemasonry. I declare that I have the mind of Christ and I take every thought captive to His mind.
- I repent for the mockery of Jesus Christ and I renounce the false cornerstone of Hiram Abiff in the degree.
- By the power of the Blood of Jesus, I break the curses of being immobilized in every area of my life (especially spiritually); not being paid my worth as an employee; continual jealousy and contention against me; being cut off from financial blessings; loss of the fruit of my labor, working hard for little reward; continually being undermined by fellow employees; having my right ear smitten off and my band cut off; and the label of imposter.
- I give back the symbols: the jewel with the letter Z on it representing Omega; the crown; the laurel wreath; the apron representing mourning, sorrow, and death; the S clasp representing perverted sex and the snake; the rosette and all other regalia that were given to me in this degree. In the name of Jesus, I break every mindset that prevents me from receiving truth from the Spirit of God and the Word of God. I will be transformed by the renewing of my mind in Jesus' name.
- I repent for accepting obedience to the law of the people and receiving light from the false candlestick.
- I repent for obedience to the law of sin and death. I declare I am free from the law, of sin and death because I have been baptised into Christ and joined with Him in

His death, burial and resurrection. I am seated with Christ at the right hand of the Father.

- I repent for using the all-seeing-eye for divination, clairvoyance, or occult knowledge and practices.
- Father break the curse of immobility and being cut off from reward and financial blessing, undermined by others; having my ear smitten off so I can't hear and my band being cut off so I'm disabled and only working to a lesser capacity in Jesus' name. I declare that I will prosper, that finance will come to me and I will not live in lack. I serve the Lord God Jehovah and there is no lack in His kingdom and I am a son of His Kingdom and I choose to live under the order, rules and protocols of the Kingdom of Heaven.
- Every place I have lived, I have lived my life according to the Freemasonry motto of 'secrecy, obedience, and fidelity'; I repent. I come out of alignment with that motto and I sever the tie between me and that prophetic word, in Jesus' Name
- I detach myself from the false menorah representing false truth and light.

Galatians 1:6-8

⁶ "I am shocked that you are turning away so soon from God, who called you to himself through the loving mercy of Christ. You are following a different way that pretends to be the Good News 'but is not the Good News at all. You are being fooled by those who deliberately twist the truth concerning Christ. Let God's curse fall on anyone, including us or even an angel from heaven, who preaches a different kind of Good News than the one we preached to you".
