PRAYER OF REPENTANCE FOR ALL SICKNESSES AND DISEASES

SPEAK TO YOUR MOUNTAIN!

Lord, today I choose to stand up for myself, my family and my bloodline. I choose to repent before You of all our sins. I kindly ask You, Lord, to cover our sins, present and past, by the Blood of Yashuah. We confess today that we need a Saviour! Thank You for revealing the spiritual roots of our sicknesses to me.

I am speaking now to all the sicknesses and diseases in my bloodline

I willingly repent for all the spiritual roots of these sicknesses, and I hereby cancel all legal rights in my life, my bloodline and DNA, back to Adam and Eve, and all my generations to eternity.

- I repent, Lord, of our dependency on medication and doctors, and for not trusting You, our Jehovah Rapha, for our complete healing.
- I renounce all agreements with the witchcraft of “pharmakeia”.
- Please teach me the truth about divine healing!

I repent right now for all covenants made with **Satan’s Kingdom**, knowingly or unknowingly.

- I repent for every form of occultism.
- I specifically repent for any involvement with Free Masonry, in every degree.
- I renounce any child offerings to the King of Molech.
- I repent for covenants made with the Kingdom of darkness through Ossewa Brandwag, Broederbond, Roman Catholic Church and any other false religions, all kinds of sexual perversion, religious spirits, witchcraft, satanism, blood flow, rebellion, manmade doctrines, idolatry, child baptism and any other ungodly covenants not mentioned.

- I repent for all dark and dirty sacrifices and secrets and ask You, Lord, to cleanse my blood and remove all markers from my DNA.
- I repent for myself and my bloodline of all pride and snobbish attitudes related to **racism** and **prejudice**. I acknowledge today that Yashuah invites ALL people to come to Him, irrespective of race, gender, or age and that He loves us all equally. Please give me your love for all people, Lord, because my love is inadequate.

I bring to You, Yashuah, the following **fears**:

- Fear of failure. (*I declare that in You, Lord, there is no chance of failure! In all my attempts in life, I am either successful, or I learn something.*)
- Fear of separation. (*I stand on the promise that You will never leave me nor forsake me.*)
- Fear of the future. (*I realise today that You are already in the future and waiting for me.*)
- Fear of sickness. (*By Your stripes I am healed!*)
- Fear of being mocked. (*You were mocked, Lord, and I gladly walk in Your footsteps.*)
- Fear of losing possessions, my image, and the people I rely on. (*You are all I need!*)
- Fear of death. (*You took the keys from Satan and broke the chains of death and sin!*)
- Fear of life. (*Thank You for Your encouraging words: "Don't be afraid, I am with You..."*)
- Fear of impotence and inadequacy. (*I can do all things through Christ!*)
- Fear of my integrity being violated. (*You were falsely accused, Lord, and I, your disciple, am no more than you, who are my Master.*)
- Fear of losing control. (*I choose to hand the control buttons of my life over to you, Jesus!*)
- Fear of expressing myself and being misunderstood. (*I choose from now on to not fear the opinions of people, but only the Living God.*)

- Fear of ageing. (*I no longer fear losing my strength, identity, mobility, self-esteem, or value in life. I choose today to embrace my age. I am precious in the sight of God and He values me.*)

Spirit of Fear, I now cast you out of my life and bloodline, back to Adam and Eve and forward! God has not given me a spirit of fear but of love, power, and a sound mind! I also command all **stress, anxiety, and anguish** to leave my body, soul, and spirit right now! I curse you and all your roots to eternity!

I repent for the following **attitudes** and **thought patterns** and bring them to the cross of Jesus:

- Hardness of heart, bitterness, anger, resentment, wrath, hatred, revenge, unforgiveness, irritation, aggression, strife, being critical of myself and of others, pride, stubbornness, rigidity, negativity, and my constant desire to control myself, others, and situations.
- I repent for disgust, violence, slander, rejection of others, envy, and jealousy.
- I repent today for my habit of unrightfully **blaming** others for my mistakes and my situations.
- I am mature and take full responsibility for my actions and decisions made in the past.
- I also repent for my habit of unrightfully and mercilessly blaming myself. I am mature enough to realise that I suffered situations for which I was not responsible.
- I repent for allowing and harbouring these emotions and thought patterns in my life for so long. I realise today that these emotions gave legal rights to Satan and opened doors for him to enter my life and bloodline to torture us.
- I ask Your forgiveness and acknowledge that Your Blood has already paid for my sins.

I bring to your cross, Yashuah, the following **emotions**:

- Feelings of hurt, shame, humiliation, rejection, insult, guilt, self-rejection, self-bitterness, self-hatred, self-punishment, instability, low self-esteem and loneliness. I ask You, Lord, to restore me completely.
- I bring to You my feelings of not being supported, lack of love and insecurity. I know now that my happiness does not depend on people to support and love me because Your love and Your presence are sufficient!
- I bring to You the sense of separation, abandonment, lack of confidence, regrets, unworthiness, feelings of being parasitized, distrust, helplessness, constant worry, lack of self-respect, depression, accumulated pities, self-pity, and devaluation of my physical appearance.
- I lay before Your feet, Lord, any disappointments, and heartbreak, because of broken promises. I declare today that I trust in You alone, Lord. You are truthful and faithful, and You will never break the promises You made to me...

I choose today, Lord, to **forgive all people** who controlled, abandoned, bullied, betrayed, and mistreated me.

- All those who rejected and abused me, who stabbed me in the back, slapped me in the face, gossiped about me and humiliated me.
- I forgive everyone who robbed me, criticised me, used me, hated me, and neglected me.
- I willingly give up all resentment towards these people and declare that these relationships are now being restored by Yashuah.
- He also restores my relationship with myself, with God, with every member of my family, with my colleagues and my friends... I love them and they love me! I declare that my heart is not broken anymore, but it is healed and restored by the Great Healer!

I cancel the **Unloving Spirit**, in the Name of Yashuah HaMashiach!

- I am no longer in need of love because my Bridegroom satisfies my longing heart.
- I will allow Him to smother me with His kisses. I am precious to Him and He loves me passionately and unconditionally. I am acceptable, I am worthy, and I am loved!
- I will no longer reject myself. I choose to love and accept myself. I am not hard on myself anymore and will no longer judge myself or others.
- God does not keep a record of my mistakes and I choose to be that kind to myself as well. I choose to **forgive myself** for mistakes, wrong and unwise decisions, and all sins.
- Yashuah forgave me and therefore I can also forgive myself. Jesus paid for my sins by His Blood. He tore the veil so that I could enter God's holy presence without fear, guilt, or unworthiness. I can enter with boldness!
- I do not need people's attention to make me feel worthy and important. I have the undivided attention of my Deliverer and Lover, Jesus Christ! He loves me and cares for me. He hugs me and comforts me. In His loving arms, I am safe.
- I am not sad anymore, but I am filled with joy and passion.
- I am not disappointed in love or life any longer, because God satisfies my soul.
- Today I take back my joy and all else that has been stolen from me!

I am no longer under **attack, in danger, or threatened**.

- I no longer need to escape from any danger. I do not have to fight, take flight or freeze.
- I am not threatened. I am not being attacked and I am not trapped in a corner.
- I bring to You any sense of being unprotected and unsafe.
- I am not helpless, because God is my Helper.
- I cancel all confusion and declare that I am going in the right direction and have no conflict about my position in life.
- I am no longer being choked. I no longer feel suffocated. I am free to breathe!

- Things are no longer being imposed on me and I no longer suffer under accumulated situations and accumulated stress.
- I am not destabilised and off balance anymore.
- I choose to love life and to enjoy and embrace life!

I bring to You all **disillusionment** and **disappointment** regarding **shattered dreams** in connection with the people I love, relationships, finances, my business, my children, and my expectations of the future. I declare today that all things work out for my good because I love Yashuah and He loves me. Today God gives me a new dream, a new passion, and a new vision and He will see it through! Today is a new beginning for me!

I ask You, Jesus, to replace all **negative emotions** with Your Divine Agape Love, with Peace, Joy, Longsuffering, Gentleness, Goodness, Faith, Mercy, and Temperance. I submit my will to God's will in the process of incorporating these characteristics into my life. I am willing to be transformed into the image of Christ!

My **opinions** are worthy. I will no longer repress or suppress myself. I do not have to swallow my unuttered opinions any longer. I can defend myself. I have the right to speak and be heard. My opinions do not go unnoticed. I can boldly express my needs and thoughts, while constantly being sensitive and considerate towards others. I will no longer hide my feelings behind silence. I can comment, participate, and decide. I cancel all guilt regarding what I have said or what I have not said. I can say "no" to people when I am being misused. I can say "no" to Satan when I am tempted. I can say "no" to negative thought patterns and self-accusations. I can say "NO"!

I bring to You today all **double-mindedness**, all conflict between being feminine or masculine, between embracing God or embracing the world, between being an overcomer or being a victim. I repent for being lukewarm and choose today to embrace the Kingdom of God, my gender, and my victory passionately!

I bring to the cross now any fear and resistance to **change**.

- I will not avoid, reject or resist change anymore. I am no longer unable to act on or react towards changes in my life.
- I realise that change is often what leads me to the next level of maturity or blessings.
- Nothing will keep me from acting in any area of my life and from making good decisions.
- I am not stuck anymore! I can move! Life is not heavy anymore!

I am no longer afraid and unwilling to **see and hear** what happens around me.

- I will no longer refuse to see what is before me.
- I choose to **see** what lies ahead of me and I decide to let go of what lies behind me!
- I choose to no longer fear the future, ageing, failure, loss, or death.
- I look forward to my future with joy!
- Likewise, I choose to no longer cover my ears to hide from unpleasant, abusive, and cold words spoken to or about me in my past.
- I bring to Yashuah my desire for positive and loving words.
- I choose to listen to God's Word and allow Him to fill my ears with words of love and hope. I choose to **listen** to God's voice in my inner man and to act on His voice.

I repent for holding onto my **past** and past lifestyle.

- I choose to let go today of memories and past habits.
- I declare no memories are too hard to cope with.
- I will no longer feed and nurture any old wounds.
- There is no longer anything rotten, toxic or fermented inside of me, because of toxic thought patterns or thoughts of revenge.
- I willingly give up all resentment and let go of all unforgiveness.
- I declare I will never lose faith and will never give up!
- My future is independent of my past.
- I willingly let go of my past now to embrace my future.
- Your Word says that any person who holds onto the past is not fit for the Kingdom of God, because he is constantly being side-tracked by memories and struggles of the past.
- Today I put my focus on You, so that I may be of benefit to the Kingdom of God.
- I make a 180-degree turn to leave the world and the past behind me, and to face the cross and my Saviour!
- I now ask You, Jesus, to divorce and untangle me permanently from my past and from the effects that my past had on my soul and my bloodline.
- I ask You to remove all bad and hurtful memories from my long-term and short-term memory, from my conscious and subconscious mind and to fill me with Your Dunamis Power and with Your Peace.

I cancel all **dirty** tricks, dirty play, and dirty experiences in my past and my bloodline.

- I bring all sexual dirt, dirty secrets, Freemasonry, injustice, deceit, and fraud to the cross.
- I cancel all feelings of betrayal, of being cheated and being stabbed in the back.
- I ask You to restore my trust and to heal completely all disappointments in my life.

I declare and decree that all effects of **sexual sin**, real or symbolic, have been cancelled in my DNA, generation and bloodline back to Adam and Eve, and forwarded to my descendants.

- All molestation, incest, abortion, adultery, bestiality, pornography, masturbation, sex with children, sodomy, rape and homosexuality are cancelled by the Blood of Jesus!

I declare I am healed from all the sexual acts imposed on me. I accept today, Yashuah, the restoration of any wounds afflicted to my soul and body, because of sexual deeds that robbed me of my innocent childhood and/or virginity. I am set free!
- I cancel all problems and curses related to infertility, miscarriages, difficult births, emergency caesareans, foetal death in the uterus and foetal disabilities. I bring to You all fear of falling pregnant, fear of being pregnant, having disabled children and losing my baby. I bring to You all previous unhealthy relationships that brought the concept that sex and pregnancy are dirty.

- I choose to renew my mind and I take every thought captive in obedience to Jesus.
- I ask God to cleanse my conscious and sub-conscious mind with His Blood and to wipe out all negative emotions and painful memories permanently.
- I am no longer double-minded and confused.

I cancel all **unresolved issues** concerning broken and cold relationships and relationship problems, trauma, hurt and dirt. I choose to lay down all unresolved anger and bitterness.

Right now, I willingly **return to my First Love**, Yashuah HaMashiach. I will no longer resist Him or avoid spending time with Him! I embrace Him as my Refuge, my Stronghold, my Light Tower and my Safe Place! I desire to cleanse and purify myself with the Blood of Jesus and His Word. I am willing to be sanctified by Him. He makes me whole and holy. He makes me new, and He restores me. I am not a nobody, but a somebody! I have great value – the Blood of Jesus!

I break every generational **curse** and rebuke every other curse, whether the curse was because of agreements with darkness, words spoken against me, or my own mistakes.

- Every curse of sin, sickness, poverty, depression, death, and separation from God, go!
- Every curse of sexual perversion, go! Right now!
- Every curse that was released into my bloodline, because of ungodly covenants, is broken today by the Blood of my Saviour, Jesus Christ!
