DEATH (THANATOS)!

Destruction of the WOVEN COVERING

To form the shield of protection made up by SRA and DID, the person is taken to death (a death ritual) during the intense process of re-programming.

During this suspended period, the soul and spirit are separated from the body.

Destruction of the WOVEN COVERING

Hitler used Dr. Mengele, also known as the “angel of death”, to execute genetic research on human subjects.

Then programmed them while in a state of death. That is how they knit together the spirit and soul and put it back into the body (a three-fold cord).

“My core self was split, at a very early age, into three basic parts, each of which came to contain many other ‘sub-parts’ over the years, as the system was built. These three basic fractured parts of my self were established upon principles of complete compartmentalization of the psyche via severe traumatically-induced dissociation. The entire three-part system was designed and constructed within my psyche to function in self-opposition. Meaning that each part was programmed to exist in a relationship of contradiction to, denial of, and hatred of, each of the other of the three parts. The three basic parts of me were also specifically designed in order to mock God. They were designed to do so in very specific ways. The three basic parts of me were built in a Luciferian imitation of the parts of the Holy Trinity of God the Father, God the Son, and God the Holy Spirit. And so, each of the parts of God’s Holy Trinity could be mocked, in and through my D.I.D. system, in a very specific manner.”

Ritual Abuse (p. 320). Kindle Edition.

“There is a mystery behind men like Adolph Hitler and the like who commit incredible atrocities to humanity while holding the support of his people. This is what man is like without his soul. **I was serving Satan without my soul.** He could use my soul in any way he wanted. With such levels of programming successful, I was given the first mantle and the witches’ staff at the age of four and remained a slave until Master Jesus Christ met me”.

Kawalya, James. Delivered from deep Darkness (p. 56). Kindle Edition.

“The patients in this hospital had come from several parts of the world. They had been brought from different parishes to become monks and priests then exposed to emotional overload and manipulated into this state for deep programming. I was in room 13, ward 7, and bed 11. Each of the number signified a spiritual code to monitor and manipulate my soul.”
