

A Journey to Freedom

A JOURNEY TO MATURITY

The Kingdom of God is “like a grain of mustard seed, which a man took, and cast into his garden; and it grew, and waxed a great tree; and the fowls of the air lodged in the branches of it” (Luke 13:19). As a tree needs to grow into maturity, likewise we too must grow into spiritual maturity. The Berashith Online Journey (BOJ) offers an excellent opportunity for the believer to grow into a tall tree, providing fruit and shadow for broken souls. When we become spiritually mature, we will also be a dwelling place for God.

*This means that God is transforming each one of you into the Holy of Holies, his **dwelling place**, through the power of the Holy Spirit living in you! Ephesians 2:22*

TPT

The Amplified Classic Translation says in Hebrews 6:1 that we must steadily advance toward the completeness and perfection that belong to spiritual maturity. To lead you to this maturity, a variety of modules is currently available.

- In Bondage
- The Tabernacle
- Laying down the Foundation
- Dispensation

IN BONDAGE

This module covers reasons some believers are still in captivity. These include sin, brokenness, ungodly soul ties, DNA ties, traditions, deception, and others. It is a life-changing module that will help you identify the areas in your life not yet surrendered to God, or where healing is still needed. If you get rid of what keeps you in bondage, God can bring you to “sozo” – full salvation of spirit, soul and body. What better news do we need in these ungodly modern times where the kingdom of darkness is opposing our freedom by bombarding us with lies, confusion and love for sin?

THE TABERNACLE

Moses built God a dwelling place (Tabernacle) exactly like the heavenly model shown to him on the mountain. Jesus is hidden in every single element of this Tabernacle, and then revealed in the New Testament. The believer's transformation process is captured in the different items in the Tabernacle. Scriptures reveal that the whole Bible is somehow embedded in these patterns of the Tabernacle. This module will most definitely bring understanding of who Jesus really is, His purpose and His mission. This Truth will bring us freedom.

DISPENSATION

Dispensations are different periods in which God gives His people certain sets of rules to manage His Kingdom. Each dispensation has different rules. Unless we realise this, we will try to live the current dispensation according to the rules of previous dispensations. The truth of the real meaning of "church" (ecclesia) becomes clear in this module. While we are busy doing what we believe the "church" should do, the forces of darkness are ruling and reigning. It is time for the Body of Christ to move into spiritual maturity and have dominion on planet earth, as Adonai had ordained since the beginning when He put Adam and Eve in the Garden of Eden. Having dominion means to rule and reign. Let us use our authority to force darkness out of this earth!

*And God said, Let there be light: and there was light. ⁴And God saw the light, that it was good: and God **divided the light from the darkness.** Gen 1:3-4*
